We will make every effort to pair you with a participating business. The individual arrangements of exhibiting artwork at a business venue should be discussed and mutually agreeable to both the business venue and the artist(s). It is important to maintain a cordial and businesslike relationship that can benefit both you as an artist and the business that hosts you. **Set up of venue cones before Artwalk and return of cones immediately after the Artwalk is the responsibility of the exhibiting artist and/or the hosting venue. If you need assistance, please contact the coordinator.**
